## Land Fund Matching Program Update

Dear Friend of Auroville,

In September Auroville International USA announced the Land Fund Matching Program of 2002. Through this program, two anonymous donors have joined hands to add \$100 to the first 170 Land Fund donations of \$100 or more, for a maximum total match of \$17,000. These donations must be made through AVIUSA before December 31<sup>st</sup>, 2002.

We are excited to report that, with your generous support, we have raised more than half the funds needed to complete the Land Fund Matching program! We would like to thank all those who have contributed to this matching program, and invite everyone to help complete it.

As the graph shows, \$9,800 have already been matched, which means that **72 more donations of \$100 each are needed by Dec 31<sup>st</sup>** to make full use of the anonymous donors' generous pledges. If you are thinking about contributing to the Land Fund, now is the perfect time: you can help us complete the matching program, and the funds are urgently needed.

Although donations below \$100 are not eligible for a match, we encourage you to donate whatever you can. We would also like to encourage you not to limit your donation to \$100. At this point, every dollar counts!

Please use this opportunity to have \$100 added to your donation.

Thank you for helping purchase the land for Auroville!

Nilaurio Markus, Executive Director, Auroville International USA
